Welcome.

family heirloom.*

Congrats on your recent engagement! I'm so honored that you're considering having me spend your wedding day alongside you! Wedding photography is a lot of things, but most of all it's an investment in someone to capture and document your wedding day.

When the wonderful day is done, the cake has been eaten, the dress hung, you are left as newlyweds with your wedding photographs.

Spend some time reviewing this guide. If after reading this, you feel like we'd be a great match for each other, let's set up a time to visit us or via Skype to discuss your needs & vision for your wedding!

About Me

C A L E B P I C K M A N

Hi! Welcome to Pickman Photography. I'm Caleb Pickman, an award-winning photographer known for highlighting emotion in my photos. I love telling the story of your day by capturing sincere moments, those times you don't want to forget. Everything at Pickman Photography is done by me, from that first email to the delivery of your photos. I want to make sure everything is as memorable as your day! My photography style is natural and timeless. Your photos should feel like you! I promise I won't make you close your eyes and put your foreheads together (unless you want to)! I do my best to create an original and creative session for each couple. I love experimenting and trying new things - from scouting unique locations to organizing pre-dawn shoots.

I make it simple for you to keep it light and focus on the precious candid moments that naturally occur between two people who are madly in love. Years from now, I want you to look back at your wedding photographs and have all those emotions and memories come flooding back.

A little more about me... Most days you can find me working in my home office with a smile on my face drinking way too much coffee. A Photographer by trade, but I also consider myself a hot wing connoisseur - if you have any good recommendations send them my way. I'm also an avid sportsfan (Go Chiefs!), movie buff, amateur dad joke teller, and...did I mention coffee addict?

If my style fits you, I hope to hear from you!
